

BUILDING SUCCESSFUL TEAMS

WORKSHOP OVERVIEW

“All employees are entitled to outstanding leadership – You will provide that leadership.”

Summary

Do you lead or manage the work of others? Team building can give a sense of belonging and is a known driver of engagement. In this 4-hour workshop we will discuss the 4-steps in building effective teams as well as defining the characteristics of team building that make successful teams. We will help you form, and maintain meaningful connections with shared tools, and a common language. Whether your team is new or established, we can help you build cohesion, establish trust, and develop group norms.

Outcomes

After completing this program, you will be able to:

- Define and describe a high performing team
- Set a personal leadership vision for your own team’s performance and cohesion
- Use effective listening and feedback to improve how you communicate as a team leader
- Apply the Johari window model to improve your relationships with others
- Communicate to inspire and challenge your team members
- Encourage your team with meaningful recognition
