

## ERMELINDO ESCOBEDO

Ermelindo Escobedo is passionate about helping companies thrive through training and strategic planning. He is an engaging speaker and uses an interactive training style that encourages participation. He customizes his training for each company and organization according to their unique needs. With his human resource knowledge, he can handle difficult employment questions that arise in training and strategic planning. Strategic planning is accomplished through onsite observation, interviews with management and employees, and by understanding the company's processes, strengths, and challenges.

### **Education**

- Master of Public Administration, The Evergreen State College
- B.A. Sociology, Eastern Washington University
- B.A. Psychology, Eastern Washington University

### **Experience:**

Ermelindo has over 35 years of experience working in government, education, and private sectors. He has provided management consulting and supervisor training in Leadership, Conflict Resolution, Team Building, Communication, and Workplace Harassment through his company, Work Strategies. Ermelindo is fluent in English and Spanish and presents training and consults in both languages. He has worked with Invista Performance Solutions on several projects providing training and coaching.
